Personal information

DOB/POB 1970-06-11. Wels, Austria, Europe Nationalities Austrian, EU

Overview

- About me I have completed multiple studies in **human sciences** and have been working for more than 25 years in **addiction prevention**. In parallel with my studies and professional work, I am active as a volunteer, especially in youth work (**Guiding & Scouting**) and in the Free Software community (the **Debian** GNU/Linux distribution).
- Strengths My strengths lie in conceptual and **analytical thinking**, structured planning and execution, and coherent thinking. I tend to work best in teams. Besides my extensive knowledge in diverse areas, I have long-standing experience in leadership positions, working with groups and as a trainer.
- Interests My current areas of interest are **Free Software** and **Information society**, from both the technical and socio-political perspectives.
